6. Testimonial

After we have done projects for our clients, they their testifying to DOT Vision Company in regard with our work and staffs. Here are two samples of what our clients say:

- DR. ASO FARAIDUN, Former Sulaimani Governor
  - Their work on our website has made a significant different to Sulaimani Governorate. We have seen a 325% traffic increase from the website which has been pretty remarkable, but I would always like to see more!

- CHIA KAMAL, Chief Executive Officer:
  - As I am, as a CEO of LANNETWORK Company really satisfied with the services of DOT Vision Company. DOT Vision is a domestic IT company, yet it could provide very professional and high quality software applications based on worldwide standards of software engineering. The staffs of DOT Vision are very active, hard-working, trustable, and challengeable. In addition, they are very precise and serious to perform and finish a certain task on a specific time.

- OMED MUHAMAD, Managing Director, Wirdbeen Company:
  - I am satisfied with all the services provided by DOT Vision Company and I really appreciate your administrative staffs who manage the works done by your group. I think for the time being you are very precise and serious to perform and finish a certain work at a time.

7. Awards and appreciation letters

Based on the works that DOT Vision Company has done. We have received several awards and appreciate letters from different public and private organisations. Here are some of them:

- Dr. Aso Faraidun, Former Slemani Governor
- Omer Qaladzeyee, Deputy Slemani Governor
- Dr. Havall Abubakr, Slemani Governor
- Abdulla Muhamad, Former Halabja Governor
- Slemani Office of Passport
- Zheen Archive Centre
